

# Residential Trash & Recycling

## 6 Tips

- 1.** Too much trash? Purchase Pay-As-You-Throw Blue Bags at any local OnCue Express or the Convenience Collection Center (807 S. Perkins Road).
- 2.** Leave at least five feet between each trash and recycle cart and from any obstacles, including Blue Bags, parked cars, poles and mailboxes.
- 3.** Opt into the Curbside Single-Stream Recycling Program by calling 405-742-8269 and providing the following information:
  - ❖ Name on your City of Stillwater Utility Bill
  - ❖ Service Address
  - ❖ Telephone and Email
  - ❖ Select Recycle Cart Size (35-, 64- and 96-gallon carts available.)
- 4.** Residential customers are allowed to schedule up to two special cleanups at your service address within any 12-month period for no additional charge.
- 5.** Recyclable items are accepted for free at the Convenience Collection Center. Go to [stillwater.org](http://stillwater.org) for hours of operation and a full list of accepted items and fee structure for special items.
- 6.** Residential customers may schedule the pick-up of moving boxes and other packing materials at no additional charge.
